

### *OUR MISSION*

*Harvard Business School Community Partners inspires and empowers HBS alumni to make a positive social impact in their community. We do this by offering alumni opportunities to leverage their skills and experience to help nonprofit organizations succeed.*

## **EXPERT GOODNESS. DELIVERED.**

### **OUR SERVICES**

For 30 years, HBS Community Partners has engaged Harvard Business School alumni to help Bay Area nonprofits address critical needs with expert business support. We bring together talented people who want to make a difference.

#### ➤ **Pro Bono Consulting**

Mobilizes volunteer alumni teams to provide strategic business consulting to Bay Area 501(c)(3) organizations.

- ❖ Teams of three to five HBS alumni combine their talent and expertise on consulting projects lasting three to six months (nonprofits receive a total of 10-15 hours/week of pro bono services).
- ❖ Projects can address business management issues including strategic planning, managing growth, marketing, partnership strategies, financial/operation assessments, and business planning.
- ❖ Sectors we serve include youth, arts & culture, environment, energy, healthcare, and social services.

#### ➤ **Alumni Brainstorming Sessions**

Enlists HBS alumni to provide advice or generate ideas for a specific business challenge a nonprofit may be facing over a two-hour meeting.

- ❖ Building upon the signature HBS case method, alumni provide rapid, real-time counsel to address an organization's dilemma.
- ❖ The high-energy meetings involve four to eight alumni volunteers engaging with a nonprofit executive team and board of directors.

#### ➤ **Nonprofit Board Services**

Connects alumni to nonprofits seeking candidates for their boards, and educates alumni to be high-impact board leaders.

#### ➤ **Scholarships to Nonprofit Leaders**

Nominates Bay Area nonprofit leaders to receive a fully paid scholarship to attend a one week flagship program in Boston on the HBS campus, *Strategic Perspectives in Nonprofit Management*.

*“Each member of our team was not only stellar, brilliant, thoughtful and deeply engaged, but they were inspiring as well. As the CEO of a successful non-profit, I’m thrilled with the results and am incredibly excited about implementing these ideas. Thank you, HBS CP!!”*

*Sara Larios Mitchell, Ph.D. CEO of StarVista*

## EXPERT GOODNESS. DELIVERED.

### OUR ANNUAL IMPACT

**200**

Alumni

Over 200 HBS alumni made an impact through HBS Community Partners last year.
